

**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION**

ERIN ALLEN,  
Plaintiff,  
v.  
CONAGRA FOODS, INC.,  
Defendant.

Case No. 13-cv-01279 JST (NC)

**ORDER TO MEET AND CONFER**

Re: Dkt. No. 64

The parties in this putative class action submitted a joint letter brief outlining a dispute over ESI protocol. Dkt. No. 64. All discovery disputes in the case have since been referred to the undersigned magistrate judge. Dkt. No. 65. The parties concur that an ESI protocol must require the parties to meet and confer to agree on search terms and production format; they seem to only disagree on the language that will best convey that point. This dispute is fairly narrow and the Court orders the parties to further meet and confer in order to resolve the matter without Court intervention, if possible. Within seven days of this order, the parties must either submit their stipulated ESI protocol, or submit competing ESI protocols for the Court to rule on.

Any party may object to this ruling within 14 days. Fed. R. Civ. P. 72(a).

1 IT IS SO ORDERED.
